ATTACHMENT 2 - FORMS D-5 AND D-6 MASTER CONTRACTOR REPORTING REQUIREMENTS

CATS TORFP# J05B6200012

These instructions are meant to accompany the customized reporting forms sent to you by the Contract manager. If, after reading these instructions, you have additional questions or need further clarification, please contact the Contract Manager immediately.

- 1. As the Master Contractor, you have entered into a contractual agreement with the State of Maryland. As such, your company/firm is responsible for successful completion of all deliverables under the contract, including your commitment to making a good faith effort to meet the MBE participation goal(s) established for this contract. Part of that effort, as outlined in the RFP, includes submission of monthly reports to the State regarding the previous month's MBE payment activity. Reporting forms D-5 (Master Contractor Paid/Unpaid MBE Invoice Report) and D-6 (Subcontractor Paid/Unpaid MBE Invoice Report) are attached for your use and convenience.**
2. The Master Contractor must complete a separate form D-5 for each MBE subcontractor for each month of the contract and submit one copy to each of the locations indicated at the bottom of the form. The report is due not later than the 15th of the month following the month that is being reported. For example, the report for January's activity is due not later than the 15th of February. With the approval of the contract manager, the report may be submitted electronically. **Note: Reports are required to be submitted each month, regardless of whether there was any MBE payment activity for the reporting month.**
3. The Master Contractor is responsible for ensuring that each subcontractor receives a copy (e-copy and/or hard copy) of form D-6. The Master Contractor should make sure that the subcontractor receives all the information necessary to complete the form properly, i.e., all of the information located in the upper right corner of the form. It may be wise to customize form D-6 (upper right corner of the form) for the subcontractor the same as the form D-5 was customized by the Contract Manager for the benefit of the Master Contractor. This will help to minimize any confusion for those who receive and review the reports.
4. **It is the responsibility of the Master Contractor to make sure that all subcontractors submit reports not later than the 15th of each month regardless of whether there was any MBE payment activity for the reporting month.** Actual payment data is verified and entered into the State's financial management tracking system from the subcontractor's D-6 report only. Therefore, if the subcontractor(s) do not submit their D-6 payment reports, the Master Contractor cannot and will not be given credit for subcontractor payments, regardless of the Master Contractor's proper submission of the form D-5. The contract manager will contact the Master Contractor if reports are not received each month from either the prime contractor or any of the identified subcontractors. The Master Contractor must promptly notify the contract manager if, during the course of the contract, a new MBE subcontractor is utilized. Failure to comply with the MBE reporting requirements and/or failure to make a good faith effort to meet the MBE goal(s) will cause the Master Contractor to have an unfavorable standing with the Department for future contracting opportunities.

7. A breach of this Agreement by the TO Contractor or by the TO Contractor’s Personnel shall constitute a breach of the TO Agreement between the TO Contractor and the State.

8. TO Contractor acknowledges that any failure by the TO Contractor or the TO Contractor's Personnel to abide by the terms and conditions of use of the Confidential Information may cause irreparable harm to the State and that monetary damages may be inadequate to compensate the State for such breach. Accordingly, the TO Contractor agrees that the State may obtain an injunction to prevent the disclosure, copying or improper use of the Confidential Information. The TO Contractor consents to personal jurisdiction in the Maryland State Courts. The State's rights and remedies hereunder are cumulative and the State expressly reserves any and all rights, remedies, claims and actions that it may have now or in the future to protect the Confidential Information and/or to seek damages from the TO Contractor and the TO Contractor's Personnel for a failure to comply with the requirements of this Agreement. In the event the State suffers any losses, damages, liabilities, expenses, or costs (including, by way of example only, attorneys' fees and disbursements) that are attributable, in whole or in part to any failure by the TO Contractor or any of the TO Contractor's Personnel to comply with the requirements of this Agreement, the TO Contractor shall hold harmless and indemnify the State from and against any such losses, damages, liabilities, expenses, and/or costs.

9. TO Contractor and each of the TO Contractor's Personnel who receive or have access to any Confidential Information shall execute a copy of an agreement substantially similar to this Agreement and the TO Contractor shall provide originals of such executed Agreements to the State.

10. The parties further agree that:
 - a. This Agreement shall be governed by the laws of the State of Maryland;
